

## DYLON CURTAIN WHITENER

### DIRECTIONS FOR MACHINE WASH

- Empty contents of two sachets into machine conditioner drawer.
- Add curtains to drum.
- Add detergent as usual and run full 40°C delicates cycle.
- For best results hang curtains at window when still slightly damp

### DIRECTIONS FOR HANDWASH

- Wash and rinse curtains as usual.
- Dilute contents of one sachet in 2.5 litres of cold water.
- Add curtains, submerge completely & soak (one pair at a time) for 5-10 minutes.
- Remove curtains & drip dry.
- For best results hang curtains at window when still slightly damp.

Each sachet treats up to six medium sized curtains.
